

Photography Tuition with Daniel Bridge

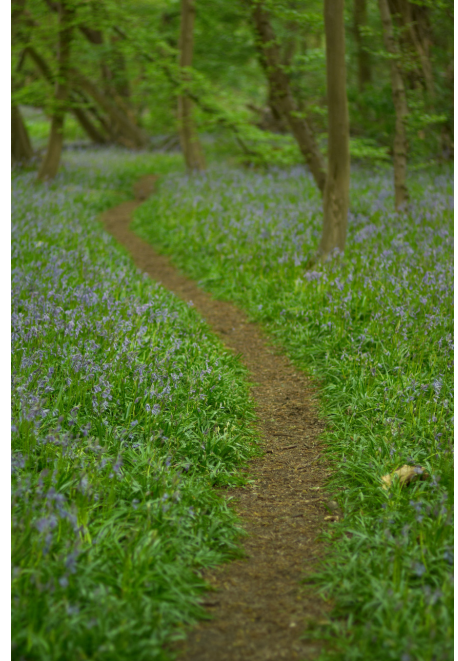

Photography Workshop – 'Composition and Light' Hanningfield Reservoir Visitor Centre Sunday 22nd March 2020

Daniel Bridge is running a one-day workshop designed to help you get more from your photography, exploring composition, light, focal length, subject matter and more.

You're happy using your camera, you know what ISO is, and how and why to change your aperture, but still find your photos a little uninspired? Daniel will guide you through the many aspects of photography that are more artistic than technical, with a slideshow and discussion in the morning, then after a break for lunch, we go out in the reserve to try out the ideas we've looked at.

Aims of the Day

To improve your photography! Photography is so much more than just pointing your camera and clicking the shutter button. We'll look at ways of seeing your subject, how seemingly small changes to composition can make a massive difference to the photo, how colour can affect the image and much more.

What you need to know

A basic understanding of your camera will be very helpful, as knowing how to change aperture and other settings is fundamental to this workshop. Have a look at the Level 1 Workshop 'Know The Basics' if you feel you need help with this aspect.

What you need to bring

A camera! Any sort of camera is fine for this workshop. Although some techniques will be more appropriate for SLRs, compact cameras allow you to do most things we'll be covering.

A Tripod if you have one. Don't worry if you don't.

Memory Cards/Spare Batteries. We'll be trying many different techniques and it would be a shame to feel limited by the number of exposures you could take. Ensure any batteries are fully charged!

Any lenses/accessories you may have. You never know when you might need them.

Footwear and Clothing suitable for a walk in the park. Including wet weather gear (hopefully not required).

Lunch. Lunch is not included in the cost of the day - please remember to bring something with you to eat.

Itinerary

The day starts at 10.00a.m. at the Visitor Centre, Hanningfield Reservoir.

The morning session consists of a classroom based slideshow and discussion about techniques and equipment.

In the afternoon we will go out onto the nature reserve to explore what we have covered in the morning, allowing some one-to-one time with each participant. We will return to the Visitor Centre at around 4.00pm., completing the workshop.

Where To Go

The workshop takes place at:

Essex Wildlife Trust
Hanningfield Reservoir Visitor Centre
Hawkswood Road
Downham
Billericay
Essex
CM11 1WT

Tel: 01268 711001

Email: hanningfield@essexwt.org.uk

How To Book

The cost for the day is just £60.00 and booking is essential.

Please ring the Essex Wildlife Trust Visitor Centre at Hanningfield Reservoir on 01268 711001 to book your place.

~

We look forward to seeing you on what promises to be a fun and informative day, in the beautiful scenery of Hanningfield Reservoir.
